

ANDREW E. MARSHALL.

[To accompany Bill H. R. No. 318.]

MARCH 9, 1860.

Mr. HALL, from the Committee on Invalid Pensions, made the following.

REPORT.

*The Committee on Invalid Pensions, to whom were referred the petition and papers of Andrew E. Marshall, of Pennsylvania, have had the same under consideration and submit the following report:*

It appears from the papers that Andrew E. Marshall was a private in Captain John Herron's company K, 1st Pennsylvania regiment, commanded by Colonel F. M. Wynkoop, enrolled and mustered into the service of the United States on the 16th day of December, 1846, to serve during the Mexican war; that he was discharged on or about the 25th day of July, 1848, at Pittsburgh, with the rest of the company, on account of disability produced by running sores, the result of typhoid fever, brought on by exposure at different times from the commencement of the siege of Puebla, in September, 1847, until returned as unfit for duty.

It further appears that the exposure was all in the line of his duty, and that previously he had been a hearty and sound soldier.

The committee, upon full examination of all the facts in the case, are clearly of opinion that the said Andrew E. Marshall is entitled to a pension at the rate of eight dollars per month from the date of his application, April 15, 1857, and therefore report the accompanying bill.
